

Format fini

The diagram illustrates a page layout with three distinct regions. The outermost region is a teal-colored border, labeled 'Fonds perdu (5 mm)'. Inside this is a yellow border, labeled 'Marges mini (5 mm)'. The central region is white, labeled 'Format fini'. A thin red line separates the yellow and teal borders. The teal border is 5 mm wide, and the yellow border is also 5 mm wide. The white area is the final format.

Marges mini (5 mm)
