

Format fini

The diagram illustrates a page layout with three nested rectangular regions. The outermost region is a dark teal border representing the bleed area. Inside it is a wider gold border representing the minimum margin. The innermost region is a white rectangle representing the final format. A thin red line outlines the final format area. A legend in the lower-left quadrant identifies these regions: a red line for 'Format fini', a gold box for 'Marges mini (5 mm)', and a teal box for 'Fonds perdus (5 mm)'.

Marges mini (5 mm)

Fonds perdus (5 mm)
